

Self-Screening questionnaire for Risk of Coronavirus

Recommended Self - Screening Questions from PA Dept of Health

1. **Did I wash my hands/use alcohol-based hand rub upon entering volunteer site?**
Yes/No, If No, then wash hands

2. **Do I have any of the following respiratory symptoms?**

Fever
Cough
Shortness of breath

If YES to any of the above, do not volunteer
If NO to all of the above, proceed to #3

3. **Continue to be mindful**

- Wash your hands or use alcohol-based hand rub throughout your time volunteering
- Not shake hands with, touch or hug individuals while volunteering
- Maintain at least a 6 foot distance between others
- If you cough or sneeze, cover your mouth with your elbow or use a tissue and dispose of immediately, and wash hands
- Do not touch your face

Additional Information:

[Know how to protect yourself](#)

[Keeping the Workplace Safe](#)

According to the [**CDC Interim Guidance for Homeless Service Providers**](#),

Disposable facemasks should be kept on-site and used only when someone is sick at your organization. Those who are sick should be immediately isolated from those who are not sick and given a clean disposable facemask to wear while staying at the shelter.
