

PENNSYLVANIA COUNCIL OF CHURCHES
CHAPLAINCY IN THE PARKS
SUMMER OPPORTUNITIES
May 29 through September 4, 2022

The chaplain represents the church as a Christian presence and quiet witness among more than 300,000 campers in Pennsylvania's parks.

Each program is a unique blend of the chaplain's gifts, campers, park staff, and the local committee. All chaplains will conduct, weekly:

1. Campsite visitation, using your listening, counseling, and interpersonal skills. An attempt will be made to visit all occupied campsites, following the guidelines outlined at chaplains' training.*
2. Informal, inspirational worship services.

Chaplains must also offer:

1. Availability to park/campground staff and campers for crisis situations or needed information.
2. Informal programs such as campfires and hymn sings.

Most full-time and some half-time parks offer at least one recreational activity for children and youth, movies, special musical events, etc.

The program, in most parks, is planned in cooperation with a committee of local church representatives.** The program schedule is coordinated with the park/campground manager and staff.
