News and Action Summary for November 2, 2022

Empowering people of faith to make a difference for the common good!

Election Day is nearly here! If you are not registered or have not applied for a mail-in vote application, it's too late. If you are registered, however, please go out and **VOTE** because it can easily be said that **Democracy is on the ballot!** Our election page at [2022 Midterm Election and Voting](#) has most of the information you will need about finding your polling place and more. It is updated as additional information, including voting guides, becomes available. New voting guides and information appear in "News You Can Use" below. **MAKE A PLAN TO VOTE!**

The [PA Interfaith Power and Light Annual Conference](#) will be held on November 13. This is the place to be if you are concerned about climate change and want to learn more.

Also, we are now in an open enrollment period if you are looking for health insurance or changing the insurance you have:

- [PA Open Enrollment for Health Insurance Begins Nov. 1](#)
- [Medicare Open Enrollment Is Here—Things You Need to Know](#)

If you are interested in viewing a recording of "Christianity in America: Sacred or Supremacist?" for yourself or your congregation, please consider a contribution of \$5 to the Council to help offset the cost of presenting this program. You can do this at <https://pachurches.org/shop/> (scroll down to "Events").

We hope you will support this ministry with a generous gift, or even better a monthly gift. You can help us by going to <https://pachurches.org/shop/> where you will find our address and links to make your donation. “subscribe” to this (almost!) weekly update by making a recurring contribution of \$5/month or more.
Of course, any contribution will be welcomed and appreciated!

To learn about how to keep informed between these updates, go to <http://www.pachurchesadvocacy.org>. As usual, we understand that there is a lot of information here and in the links provided for further information. **Please know that you aren't expected to act on everything! Just choose the issues that are most important to you and do something!** Sometimes you will be directed to action pages of other organizations—**don't worry!** These are organizations that we work with regularly and who share a common interest.

Please consider contacting your legislators to thank them when they support your position as well, or to express your disappointment when they don't. We don't follow up with them often enough. They need our feedback to understand how we feel. Go to <https://org2.salsalabs.com/o/5415/getLocal4.jsp> to find a summary of your federal and state legislators with basic contact information.

Our [website](#) is updated regularly. If there is something you would really like to see that isn't there, please contact us at s.strauss@pachurches.org.
